PAYMENT POLICY

In order to accommodate the needs and requests of our patients, we have enrolled in numerous managed care insurance programs. Providing quality medical care for our patients is our primary concern. We are more than willing to provide that care within your insurance contract guidelines if you let us know exactly what those guidelines are at each time of service.

We are pleased to be able to provide this service to you, but it is extremely difficult for us to keep track of all the individual requirements of the plans. Each plan has different stipulations regarding how often services may be rendered and where those services may be performed. Even within the same insurance company, the plans differ depending upon what type of contract your employer has negotiated. We will do our best to obtain pre-certification for you, but it is your responsibility to know your contract. If pre-certification is required, please inform us so we may obtain prior approval for you.

Many managed care plans require written authorization or referral from your primary care physician for each visit. <u>It is your responsibility</u> to obtain this written authorization or referral before each visit or be sure that follow up visits are covered under your primary referral.

Important: It is your responsibility to inform us of any special requirements and/or necessary referrals per your insurance provider. Medical services may be ordered that are not covered. Payment for these charges is your responsibility.

<u>Copayments and deductibles are your responsibility and we will request payment at the time of service</u>. Certain services that are expected to be non-covered by your carrier may require a deposit at time of service. Varying by carrier and plan, there may be different tiers of copayment required for different types of providers.

A patient with no insurance should contact our office to arrange a satisfactory payment plan, if one is needed, prior to your visit or you will be billed for the entire balance.

There is a returned check fee of \$40.

NO SHOW: If you are a no show for an appointment without providing a 24-hour advance notice, **you will be charged a \$40.00** cancellation fee which will need to be paid before you may reschedule.

MULTIPLE CANCELLATIONS AND/OR MISSED APPOINTMENTS MAY RESULT IN DIMISSAL FROM THE PRACTICE.

Refund Policy

A portion of your deductible may have already been met for services with another provider.

Our office will attempt to collect the expected amount due for services wherever possible, however situations as described above may result in your having overpaid on your account. In the event we collect more from you than what is determined to be due, we will be happy to issue a refund at your request. Unless asked for, the credit will remain on file for your next visit.

Any questions or concerns regarding your account or insurance should be directed to our billing office.

With your cooperation and help, you should be able to receive all of the benefits offered to you, and we will be able to concentrate on caring for your medical needs.

Your signature below indicates that you have received, read and understand the above policy.
